

## Online learning with e-learning

Our flexible core

# The basic competence module

The **beauty competence** is the heart of every Flexyfit® **Beauty** training - your indispensable foundation for a safe and professional start in the beauty world.

So that you can work professionally, creatively and with a keen eye for aesthetic details later on, you need **sound knowledge** about **make-up techniques, color theory, skin types** and the right applications for different looks. That's exactly what you get with us: a strong foundation in beauty, make-up, styling, skin care and customer-oriented work - so that you can use your skills in a targeted way and achieve impressive results. And because learning should be simple, flexible and suitable for everyday use, we have developed a modern concept that offers you maximum freedom:

### Online learning with e-learning

Our high-quality learning modules make it easy for you to quickly understand even complex beauty content and acquire professional know-how in a fun way - flexibly, when and where you want. And don't worry: you're not alone with e-learning. We are there to support you at all times so that you are confident, motivated and feel good about your training.

### Presentations & scripts

Our presentations and scripts will accompany you throughout your training. They are clearly structured, easy to understand and designed so that you can grasp the content quickly and refer to it at any time. Ideal for deepening your knowledge and preparing specifically for exams.
